1. General Rules

1.1 Waivers:

- EVERYONE is required to sign an Adult or Minor waiver when entering Road America property. This can be done when entering the track or by using SpeedWaiver in advance.
- Minor waivers MUST be filled out for all minors entering Road America regardless of age.
- ALL participants MUST have waivers completed and entry fees paid before participating in practice or competing in any races. Note: proof of age is required for all minors.

1.2 Parents reasonability for minors:

- Parents or guardians must sign a waiver and are to be responsible for any children they brought to the races.
- Example; Don't let them run around unsupervised.

1.3 Spectators:

- All Spectators are required to have a Pit Pass wristband
- A Driver or Pit Pass wristband is required to gain access to Pre-grid, Hot Grid, or Track.

1.4 Grid & Hot track Restrictions:

- Smoking is prohibited on the Pre-grid, Hot grid, and Track
- Fueling is forbidden on the Pre-grid, Hot grid, and Track
- Pets are NOT allowed on the Pre-grid, Hot grid, and Track

1.5 Hot track access:

- Anyone entering the Track MUST ONLY enter through the gate by the Flag stand and ONLY after getting prior approval from an RA official.

1.5.1 Hot track access - Age restrictions:

- No one under the age of 16 can enter the track during practice or racing unless accompanied by a parent or guardian.
- This includes volunteer corner workers, flaggers and drivers spectating.

1.5.2 Hot track access - Camera/Phone Restrictions

- No cameras or cell phones can be used on the track by corner workers.

1.6 Restricted Areas: - Entering Timing & Scoring building:

- No one can enter the timing and scoring building without permission from a race official.

1.7 Unsportsmanlike conduct:

- Unsportsmanlike conduct, abusive or foul language, fighting, refused cooperation, etc. will not be tolerated.
- Anyone exhibiting such conduct will be disqualified from the event and will be required to leave the facility and is subject to further disciplinary action.

1.8 Alcohol:

- Alcoholic beverages are NOT allowed on the grid or track during any events. No driver or crew member can drink alcoholic beverages during an event, only after they are done racing and in a responsible manner.

This rulebook is not intended to cover all aspects of the Road America SuperMoto Series; it will be used as a guide unless it is a clear-cut decision.

2. Safety Rules

- 2.1 Race Bike & Pit area Safety:
- Rider & Crew are always responsible for the safety of the race bike and pit area.
 - They must keep all non-crew people away from any running or hot race bikes.
 - Note: Stay clear of any rotating parts, i.e., wheels, chains, and any hot parts, i.e., exhaust pipes, brake rotors, etc.
 - No practice starts or riding around the pit area.
- 2.2 Driving race bikes safely:
- Riders must continuously safely operate their bike and adhere to all flags and instructions given when on track.
 - When exiting the track, slow down until you are at a minimum safe speed, be aware of spectators at pit out!
- 2.3 Rough Driving:
- Rough driving will not be tolerated at any time.
 - Anyone intentionally bumping, hitting, chopping, blocking, or driving in an out-of-control manner, will be warned, penalized, disqualified, or suspended, depending on the severity of the incident.
- 2.4 Mechanical problems:
- Riders must use hand signals to warn other Riders (put one hand straight-up, not out to the side) to safely attempt to get off the racing surface. If a brake failure occurs, do not pull into pits. Drive around until the bike is at a slow enough speed to pull off safely.
- 2.5 Disabled Race Bikes:
- Attempt to move race bike farther away from the racing surface to a safer area if possible.
- 2.6 Drivers Safety Gear Requirement:
- Helmet (See 2.6.1)
 - Full Leather protection or Motocross gear with full Skeleton
- 2.6.1 Helmet Requirement:
- (Full Face) with a hard shield or Motocross helmet with goggles:
 - Snell Rated: M 2015, SA 2015, CMS 2016 & CMR 2016 (Youth) or higher rating.
 - SFI Rated: 24.1 2015, 31.1 2015, 31.1A 2015, 41.1 2015 or higher rating.
 - DOT Rated
 - ECE Rated
- 2.7 Helmet mounted recording devices:
- Mounting any recording device to the outside of the helmet or inside the helmet is prohibited.
 - Anyone found using a helmet-mounted recording device will receive a significant penalty and forfeit all points for that race.
- 2.8 Pre-Tech safety check:
- All race bikes must have a Pre-Tech safety check and receive a chassis band before getting on track for practice or competing in races.
 - It is your responsibility to keep all safety equipment intact during the entire season. A safety check may be done at any time during the season.

2.8.1 Safety Tech Requirements:

- The following items must be safety wired or secured in a manner approved by Tech: (Something like RTV)
 - Oil filler caps.
 - Oil drain plugs.
 - Oil lines.
 - Safety wire the radiator cap and drain plug
 - Spin-on oil filters/filter bolts.
 - It is encouraged that all classes safety wire the brakes bolts.
 - Water-cooled engines may use plain water, water with Redline cooling system rust and corrosion inhibitor at .5 ounces per quart of water concentration, Engine Ice, Bel-ray Moto Chill, or Silkolene Pro Cool. Glycol-based antifreeze or water pump lubricants of any kind are strictly prohibited.
 - All race bikes must have an operating and marked engine kill switch on the handlebars.
 - All race bikes must have a self-closing throttle and operating front and rear brakes.
 - Headlight, taillight, and turn signals must be removed or taped. Clear tape may not be used.
 - Side and center stands must be removed or zip tied.
 - Safety wire brake bolts

2.9 Catch Cans:

- All race bikes must have a catch can attached and have the carburetor overflow/vent lines running into it. The rider must check and drain these catch cans when necessary. The crankcase breather lines are also required unless the lines are vented to the airbox. Airbox drain hoses must be plugged off or sealed. The rider must also check and drain these hoses when necessary.

2.10 Starting at the back of the grid:

- Any rider may request to start at the rear of the field. It is recommended if you feel your equipment or ability may impede the rest of the field. Please start in the back until you feel comfortable.
- If you prefer to start at the back of the grid, please let timing and scoring know.

2.11 Race Director - Safety authority:

- The Race Director has the power to ban or remove any driver from a class in the case of a safety issue

2.13 Rider Responsibilities:

- All Riders are responsible for meeting the rules and regulations for the track. Failure to do so may result in disqualification.
- Riders are also responsible for the actions of their crew.

3. Class Requirements

- 3.1 Detailed class rules:
- Refer to: Road America SuperMoto Series - 2026 Class Structure document (Page 9)
- 3.2 Age:
- Age as of May 1st determines in which class you can participate. To request to move up a class, the rider must be within one year of class age and have approval of the Race Director.
- 3.3 Engines:
- Engines are subject to tech inspection at any time; the refusal of inspection from tech officials will result in Immediate disqualification of points for the entire season and may result in a suspension.
- 3.4 Tires:
- Slicks, Cut Road race slicks
- Class "C" dirt-track tires
- Rain tires
- Any DOT tires
- **NO KNOBBY OFF-ROAD TIRES**
- 3.5 Mufflers:
- All classes must use muffling devices that limit the sound to 105dBA. The noise level will be measured while the machine is on track during practice sessions and racing events. If a machine measures over the limit, it may be subject to a "Meatball Flag."
- 3.6 Skid Sliders:
- Recommended Devices that protect the racing surface
- Handguards
 - Footpeg Sliders
 - Axle Sliders
 - Frame Sliders
- 3.7 Bike Numbers:
- All bikes must have three sets of numbers, one front and one on each side. The number will remain assigned to that rider for the entire Championship Season.
- 3.7.1 Duplicate Bike Numbers:
- Duplicate Bike #'s are not allowed in the same class.
- When you register for your SuperMoto Membership you will select your preferred Bike #.
- SuperMoto Series members from the previous year will be able keep their bike number if they purchase their membership by February 1st. After February 1st all remaining available bike numbers will be available and the first member to register will be given priority.
- On Race Day, if two riders in the same class have the same Bike #. Priority will be given to the SuperMoto Series Member, the non-member will be asked to change their bike number.
- 3.8 Club Sponsor Decal:
- Road America SuperMoto Series members may be required to place a Series sponsor sticker on their bike. (Stickers would be provided)

This rulebook is not intended to cover all aspects of the Road America SuperMoto Series; it will be used as a guide unless it is a clear-cut decision.

4. Race Day Procedures

- 4.1 Race Day Registration:
- Registration slips must be handed in as soon as possible at the timing and scoring building.
 - Timing and Scoring must have your registration slip prior to you entering the track for practice.
- 4.1.1 Registration cutoff times:
- Series cutoff time is 9 am.
If you know, you will not have the registration slip turned in by the cutoff time. Please reach out to the Chief of Timing and scoring prior to race day.
 - Turning registration slips in late may result in having to start at the back of the grid for Race 1.
- 4.2 Pitting on the asphalt:
- No pitting on the asphalt, only on grass or gravel areas.
 - Pit stalls are not reserved and are on a first-come, first-serve basis.
 - Teams observed pitting on the asphalt will receive either a verbal or written warning from the Race Director for the race day. Subsequent offenses will result in penalties assigned at the discretion of the Race Director, increasing in severity with each offense (examples: starting at the back of the day's races, no points for the day, asked to leave the Road America grounds)
- 4.3 Practice:
- Practice will be broken into Groups
 - Each group will get a minimum of 2 sessions approx. 10-min each
- 4.4 Race Format:
- Qualifying - 8 Min.
 - Race 1 - 9 Min. + 1 Lap
 - Race 2 - 9 Min. + 1 Lap
- 4.5 Multi-Class Race Grouping:
- Classes may be grouped with another class with similar speed but will be scored separately.
 - In most cases, each class will be a separate pack and will have a split start.
- 4.6 Race grid positions:
- Race 1 grid position:
Is based on your best lap time in qualifying with the fastest time on pole. The pole is always put closest to the inside of turn 1.
 - Race 2 grid position:
Is determined by the riders finishing position from Race 1
- 4.6.1 No-Show on Grid:
- When a Rider does not show up to the grid for a race. All riders move up one position from that absent rider's starting position.
- 4.7 Transponders:
- All riders will need to either Own or Rent a MyLaps MX Orange Transponder to be get laps times and be scored in the races.
 - A Credit Card or Driver's License is **REQUIRED** and held as a deposit until the transponder is returned to the Timing & Scoring building.
- 4.7.1 Transponder Placement:
- The MyLaps MX Orange transponder must be mounted on the upper fork leg.

4.8 Starts:

- Be on time for your class and listen to announcements! If you are late, you must stay on pit road until after the race has started and after the field has passed the pit exit.
- A race bike already on the grid that stalls may be restarted.
- All race bikes must be held at a dead stop in their assigned grid position with no wheels rolling. Grid check, the light turns **RED**, then the race starts on **GREEN** light.
- If a rider has a mechanical problem, they must raise their hand and wave it vigorously to grab the attention of the starter.
- If lights are used for the starting procedure, the **RED** light will be illuminated on the starting grid. Once the field of riders gives the GO to the starter, then the light will go from **RED** to **GREEN** at any time.

4.9 Restarts:

- Restarts after a red flag will revert to the most current order of the last completed lap. If all riders have completed at least one lap, the restart will be single file in the order of the last completed lap. If no laps were completed, the field would revert to the original grid order.
- A lap is complete when all bikes on lead lap have passed the finish line.

4.10 Official Race:

- Any race can be considered an Official Race after at least half of the scheduled time or laps have been completed. This could apply to any race that is RED Flagged or stopped for any reason including weather after halfway.

4.11 Flagging:

- For further flagging clarification, see Flags & Definition document (Page 10)

4.11.1 Yellow flags:

- Standing Yellow is displayed as a warning: (Problem is off track or in next sector)
Example: disabled race bikes(s) ahead but not on racing surface. No passing is allowed until you are past the reason for the standing yellow.
- Waving Yellow flag is displayed: (Problem in this sector)
The rider must slow down. NO passing is allowed until you pass the reason for the waving yellow.
Look ahead for flagging instructions or hand instructions.

4.11.2 Red Flag:

- Stops the race immediately. When riders see a red flag, they must signal to the riders behind them, slow their race bike to a safe and controlled speed, and proceed slowly to the pit area. Do not stop on the course unless it is impassable or obviously signaled to do so by corner workers. The starter and all corner stations will display a red flag. This flag indicates racing has stopped, and racers should proceed cautiously to pit road. Riders not proceeding cautiously will be penalized.

4.11.3 Black Flag:

- The rider must complete the current lap and report to officials on pit lane. This flag may be used to indicate a jump-start or other grid infraction as well as any other situation where the officials deem it necessary to have a rider brought in to inspect the rider's machine or have a talk with the rider.

4.11.4 Black Flag W/ Orange DOT (Meatball Flag):

- Indicates a safety violation. The rider in question should as quickly and safely as possible pull off the racing surface and inspect his/her machine or report to the nearest corner station. Failure to respond may result in disqualification.
- Any race bike that receives the Meatball flag (mechanical or safety) will be scored.

- 4.12 Race Day Cancellations:
- Road America's Supermoto Series races in the rain.
 - On track activity will be suspended for severe weather and when lightning is within 8 miles.
 - If Qualifying and Race 1 from all the classes have been completed, the race day is official. Race results from Race 1 will carry over to Race 2.
 - After a delay in the program, lap totals for races may be reduced due to time constraints.
 - If a race day is canceled and cannot be made up, it will be dropped from the schedule.
- 4.13 Protests:
- All protests must be presented to the race director.
 - Note: approaching any other official could lead to disqualification.
Example: Yelling at Timing & Scoring or the Flagman will not be tolerated.
- 4.14 Video Footage:
- In the event of a protest, the race director may choose to review video evidence that a competitor makes available. It is up to the competitor to obtain any videos for review.
 - Any protest must be presented to the race director before the end of the race day.
 - Road America SuperMoto Series reserves the right to request video footage from competitors that may depict an on-track incident for insurance purposes.
- 4.15 Penalties & Warnings:
- The Race Director reserves the right to impose warnings or penalties on any riders that have been seen first-hand or by an official breaking any rules, including driving infractions. Penalties can be time or position based.

5. SuperMoto Race Points

5.1 SuperMoto Race Points:

Points earned from Race 1 and Race 2 and are combined for total event points. In the event of a tie, race 2 holds more weight.

5.2 Points Qualification - Green Flag

- Any race bike that receives the green flag under its own power but does not finish the race will be scored.

5.3 Final Championships Points:

- Final Championship Points will be determined based on cumulative points from all 5 races.
- You will no longer be able to drop one of the 5 points races.

5.3.1 Final Championship Points - Ties

- Ties in season-ending points will be decided based on:
 - 1st Which rider had the most Race 2 WINS in the season.
 - 2nd Which rider had the highest finishing position in the last race of the season.

5.4 Years end awards requirement:

- To receive any year-end awards, you must participate in at least 3 of the season's races, and your class must have had at least 3 entries in half of the races for the season.

This rulebook is not intended to cover all aspects of the Road America SuperMoto Series; it will be used as a guide unless it is a clear-cut decision.
