

Volunteer
Opportunities

R.A.C.E (Road America Community Exploration) Volunteer Program

About Road America's Program

Road America is dedicated to supporting our community by providing an opportunity for 501(c)3 organizations to raise funds while helping provide a positive experience for our guests.

Earn Money for your Organization

Road America has helped raise more than \$600,000 for various charities during public events, track rentals, participant-based donations, and concession sales. As a Road America volunteer group, you will have the opportunity to provide assistance during our upcoming public weekend events to earn money for your organization. We hope this partnership will be mutually beneficial as you help us deliver the best experience to our guests.

Staff Commitment

- (10) Minimum staff/group needed for each event
- (16) Minimum age for volunteers

Volunteering opportunities at Road America will be assigned based on need.

Potential Volunteer Areas

Customer Service:

- Camping Assistance
- Paddock Shop Greeters

Security/Guest Services

- Traffic Control
- Parking

If you have a non-profit organization and would like to assist at one of our events, please contact Rodney Tower at rtower@roadamerica.com at least six weeks before the event.
