**Please be on time for the mandatory Drivers Meeting.** You will NOT be able to participate without attending. A helmet is not necessary for the Parade Lap.

### DO

- o **Follow the Lead Car:** A pace car will lead the parade, and it's crucial that you maintain a safe distance from the vehicle in front of you.
- o **Keep a Steady Pace:** While we encourage you to enjoy the experience, it's important to maintain a steady and consistent pace. Sudden acceleration or deceleration can create unsafe conditions for other drivers.
- o **Use Your Signals:** When entering or exiting the track, be sure to use your turn signals to communicate your intentions clearly to other drivers.
- o **Windows Down.**

### DON'T

- o **No Passing:** This is a parade, NOT a race. Passing other vehicles is strictly prohibited.
- o **No Burnouts or Excessive Revving:** While we understand the temptation, burnouts & excessive revving can damage the track surface.
- o **No Stopping on Track:** Unless instructed by a course marshal or in case of an emergency, do not stop your vehicle on the track. This can create a hazardous situation for other drivers.
- o **No Alcohol or Substance Use:** Driving under the influence of alcohol or any other substance is strictly prohibited.
- o **No Distractions:** Keep your focus on the road and avoid any distractions, such as using your phone or engaging in other activities while driving.
